National President  
Vietnam Veteran's Federation  
PO Box 170  
GRANVILLE NSW 2142

Dear Mr McCombe,

Thank you for your letter of 20 January 2014 regarding Ex-Member of the Defence Forces Passes.

I note your comments regarding eligibility. Eligible war veterans with a service related disability, who reside in NSW, are entitled to free travel on most public transport services in NSW.

As you may be aware, a number of these passes were issued in error to people who reside outside NSW. The government does not intend to cancel these passes. However, no new passes will be issued to residents of other states and territories.

There are no plans to review eligibility criteria for the Ex-Member of the Defence Forces Pass at this time.

Thank you for taking the time to write to me.

Yours faithfully,

20 FEB 2014

**Gladys Berejiklian MP**  
Minister for Transport
