

# SYDNEY REUNION ANZAC WEEKEND 2022

SUNDAY 24 APRIL – WEDNESDAY 27 APRIL

## SYDNEY REUNION ANZAC WEEKEND 2022

### Message from Brian Gray President Organising Committee

In April 2022, we look forward to welcoming all Communicators to Sydney.

Although the event is being held in the most expensive city in our country – Sydney; I am happy to present an all-inclusive and very cost effective package for all of the members.

With the primary objective of keeping the cost down to all members, I have pulled in some favours with my old cruise company. They have generously offered us 3 events with a substantial discount of \$34,000 to the association. All 3 cruise events will have different inclusions on 3 different boats.

I have also consciously taken the approach to provide an all-inclusive participating fees, rather than an entrance fee + buy your own drinks scenario.

## FOR THE GOLFING ENTHUSIASTS

**Tuesday, 26<sup>th</sup> April**

For those attending the reunion who are keen on a game at one of Sydney's most iconic and challenging courses arrangements have been made for a game on Tuesday morning.

Long Reef has a comp every day which makes it extremely difficult for social play, I'm hoping most have a golf link number that way I can get a couple of groups into our Tuesday Comp.

Once I have an indication of numbers I will provide an inclusive price which will cover travel from Sydney CBD to Long Reef and return. Should you wish to make your own travel arrangements let me know if that is the consensus then the cost will be just for a round of golf.
